## Shriner's Hospitals for Children – Hispanic Donors

Shriners Hospitals for Children® is changing lives every day through innovative pediatric specialty care, world-class research, and outstanding medical education. Their 22 facilities, located in the United States, Canada, and Mexico, provide advanced care for children with orthopedic conditions, spinal cord injuries, burns, and cleft lip palate. These donors are true Hispanic donors who were acquired through SHC's Hispanic prospecting program. Names are for reciprocal exchange only.
